Dear Sirs/Madams:

I, Jose Palacios, as Project Director and official representative of the Skidmore, Owings & Merrill (SOM) team, regret to inform you that we will not participate in Stage 2 of the Museo Nacional del Ecuador. Our team has reviewed the legal, risk, and tax liability of the Terms and Conditions, annexes, official responses, current schedule, and Stage 1 results, and have decided not to continue with this competition.

We wish you the best of luck with this incredible and prestigious project and look forward to visiting the museum in the future.

Sincerely,

Jose Luis Palacios
